

Advising Irish Business

OSK

OSK has been providing quality and professional business advice to Irish businesses since 1985. We specialise in progressive owner managed businesses and our clients include SMEs, multi-national groups; government bodies, sole traders and contractors.

OSK are recognised as one of Ireland's leading audit and accounting firms and we are currently ranked in the top 20 firms in the country.

We take time to get to know you and your business. We know that it is only through engaging with your business that we can provide relevant advice. OSK value this relationship and our goal is to be the first point of contact when accounting and taxation issues arise.

The practical approach at OSK provides real benefits for you. We offer helpful, effective and timely advice on all aspects affecting your business.

We also believe in being accessible, which means you should always find us available when you need us – for a phone call, a meeting, to review business papers or for a working lunch. By building an ongoing dialogue with you, we know that we are better placed to understand your business.

Our Services

OSK Audit

OSK provides a comprehensive range of auditing services to enable businesses to comply with all statutory obligations. Our auditors can make an independent assessment of your accounting systems, controls and procedures. We will provide recommendations for improvement and advice on the strengths and weaknesses of your accounting systems.

OSK Tax

The tax specialists in OSK are highly experienced across a wide range of industry sectors enabling them to structure efficient tax planning solutions for you. We aim to optimise your tax planning requirements through the provision of long term solutions surpassing the expected minimisation of tax liability.

OSK Company Secretarial

Our Company Secretarial department facilitates the outsourcing of this function reducing the heavy administration burden on your business. As experts in company law we are experienced to deal with all your company law and companies registration office requirements.

OSK Contracting

OSK Contracting has over 15 years' experience advising contractors and provides a very competitive package. We understand contractors' needs and ensure you are fully tax compliant and our team are always available to answer queries.

OSK Corporate Finance

Whether you are selling your business, raising debt or equity finance, seeking investment opportunities or need advice to expand your business, the corporate finance team at OSK can assist you in achieving your objectives.

OSK Small Business Support

With years of experience dealing with small businesses across all sectors, the OSK Small Business Support team understands the issues that arise on a day-to-day basis and are always available to support and advise you. We offer a tailored package to meet your business' specific needs.

Doing Business Internationally?

Globalisation means that opportunities for growth are increasing worldwide. To assist our clients to manage their business overseas OSK are the Irish member of CPA Associates International.

Our membership of the association allows us to draw on a pool of international expertise on business and taxation issues with the benefit of broadening the service provided to our clients.

CPA is a network of independent international accounting firms located throughout the world. CPA is represented throughout Europe and in all major US cities, South America, Australasia, Middle East and the Pacific Rim.

The team at OSK are also highly experienced in expatriate taxation planning and ensure full compliance. We liaise with our international CPA partners and legal specialists to ensure the best possible outcome.
