

Sporting Bodies Accounting Services

OSK are delighted to be the official Audit and Accounting partner of the Federation of Irish Sports (FIS) and preferred audit and accounting supplier to its members.

Our specialist knowledge of sports finance and practical approach deliver real value. We understand the challenges facing your organisation and provide efficient service while meeting all regulatory requirements.

The Federation promotes “Fit for Purpose” governance, linking best practice with stronger capacity and future funding. Good financial management and up-to-date information are vital for every organisation.

OSK has extensive experience supporting Ireland’s sporting sector, providing audit and accountancy services to many governing bodies. With a genuine passion for sport, our team understands its ethos and offers expert advice to this sector.

Sports Specialist Services

Our dedicated team of sports specialists will work closely with each client to gain a clear understanding of their requirements and provide a tailored service that meets the individual needs of the particular body.

OSK provide advice and services in the following areas:

- Audit of the Annual Financial Statements, Corporation Tax Returns and Company Secretarial
- Budgeting, Cashflow Forecasting and Corporate Governance
- Monthly & Quarterly Bookkeeping and Management Accounts
- Payroll Service
- Set up of Nominal Structure

Why talk to us?

- OSK offer a discounted fee scale exclusively for FIS members, recognising that sports funding should support sport, not fees.
- We understand the challenges of running a sports governing body, providing practical, compliant, and tailored solutions.
- Our experienced team delivers high-quality professional services to a wide range of sports organisations.
